

Frugalicious

Fun. Full. Fab.

Stumped on which episode of Frugalicious to listen to next? Use this cootie catcher to make the decision for you!

Frugalicious

Fun. Full. Fab.

Directions:

1. Cut out the outside edge of the square along the dotted lines.
2. Fold paper in half once vertically, and once horizontally. Unfold.
3. Place paper printed side down. Fold each corner in so that it touches the center point of your paper. Your paper should now be a smaller square.
4. Flip paper over. Fold each corner of the square in so that it touches the center of your paper.
5. You will now have 4 square flaps on the back of your paper. Place your thumbs and pointer fingers into the flaps, and start playing!

To Play:

1. Have a partner pick a word. Spell the word. For each letter you say, you will move the cootie catcher open, alternating between up-and-down and sideways.
2. Once you finish spelling the word, your cootie catcher will be open to a choice of 4 numbers. Have your partner pick a number. Count out that number, opening the cootie catcher alternating between up-and-down and sideways.
3. When you stop, you will again have a choice of 4 numbers. Have your partner pick a number. Open the flap of that number to see suggestions of which episode of Frugalicious to listen to next!
4. Listen to that episode and enjoy!
5. Tell us what you think:
